

Mobile Farm and the Community

Asda, Watford, summer 2014

Small Animal

We would bring a small variety of animals including chickens, rabbits, guinea pigs and whenever possible chicks and ducklings. Staff will be on hand to talk to all the visitors answering any questions they may have and letting them have a little stroke of the animals!

£270 for a minimum of two hours, £40 each additional hour

Large Animal

This is similar to the small animal package with the added advantage of having some of our larger animals come too. This could be some lambs, goats, sheep or even a Buttercup our Jersey Cow!

£450 for a minimum of 2 hours, £40 each additional hour

We do not charge for the time spent setting up, packing away or any of the travel time so all you pay for is direct contact with the animals!

We can tailor the event to any requirements, please get in contact with us to discuss your requirements or to arrange a booking! Ask us about birthday parties, school visits and the Incubation Project.
