

Education Outreach

Our staff at Aldenham Country Park can travel to provide a range of fun interactive, educational activities in your school or club.

The Incubation Project

Our incubation project is a chance to hatch your own chicks!

Assemblies

We can visit your school with some furry and feathery friends

Mobile Farm

A hand's on experience with the smaller animals of the farm

Workshops

A range of interactive sessions that can be brought to you
These can be adapted to suit your surroundings

ALDENHAM COUNTRY PARK
A Free Range Experience
